

Michigan Mathematical Association of Two-Year Colleges

Teaching Excellence Award Criteria

Deadline : May 17, 2017

The MichMATYC Teaching Excellence Award was established to recognize the high quality of instruction occurring at Michigan's two-year colleges. The selection criteria used for the award are:

- Instructional Effectiveness and Support of Students (e.g., effective and innovative teaching strategies, assessment methods, curriculum development, learning environment, etc.)
- Professional Involvement and Professional Development (e.g., active participation in professional organizations, presentations, articles, conferences, etc.)
- Interaction with Colleagues (e.g., team teaching, project collaboration, faculty mentorship, etc.)
- Service to the Departments/Division/College

A nominee must be a MichMATYC member currently employed as a classroom instructor in a two-year college or other institution granting only associate degrees. A nominee must have a minimum of 5 years of full-time teaching experience at a two-year college. Individuals can win the award only once.

Nominations are invited from MichMATYC individual members and/or supervisors. Members may nominate themselves.

A complete nomination packet consists of:

- A nomination form and a resume or curriculum vitae (not to exceed 3 pages in 10-12 point font)
- A letter of recommendation from the nominator (not to exceed 3 pages in 11-12 point font)
- A letter of recommendation from either a colleague or a supervisor (not to exceed 2 pages in 11-12 point font)
- A summary of the nominee's most recent student evaluations (not to exceed one page in 11-12 point font).

Nominations for the 2017 award will close on May 17, 2017.
