\* Balance includes \$0.00 from scholarship fund

Prepared by Sam Bazzi

MichMATYC Secretary/ Treasurer

I like to thank our current members for their continuous support to MichMATYC and invite you to renew your membership for the academic year 2005 -2006. It is only \$5.00 to renew your membership. I would like to ask our current members to invite their colleagues who are not members to join MichMATYC. MichMATYC members receive a newsletter three times a year, subscribe to an electronic listserv where issues of great importance pertaining to the teaching and learning mathematics at the two-year college level are discussed. An excellent professional development opportunity would be to attend or present at our annual conference. MichMATYC recognizes excellence in student learning by offering Student Scholarship Award which is funded by contributions from our members. At the 2005 fall conference, MichMATYC recognized two students as award recipients and the next year award amount will be \$500 instead of \$250. For more information about renewing your membership, please visit <http://www.michmatyc.org>.
