

Michigan Mathematical Association of Two-Year Colleges

Teaching Excellence Award

The MichMATYC Teaching Excellence Award was established to recognize the high quality of instruction occurring at Michigan's two-year colleges. The selection criteria used for the award are:

- Instructional Effectiveness and Support of Students (effective and innovative teaching strategies, assessment methods, curriculum development, learning environment, etc.)
- Professional Involvement and Professional Development/Renewal Activities (active participation in professional organizations, presentations, articles, conferences, etc.)
- Interaction with Colleagues
- Service to the Departments/Division/College

A nominee must be a MichMATYC member currently employed as a classroom instructor in a two-year college or other institution granting only associate degrees. A nominee must have a minimum of 5 years of teaching experience. Individuals can win the award only once.

Nominations are invited from MichMATYC individual members and/or supervisors. Members may nominate themselves.

A complete nomination packet consists of:

- A nomination form, and a resume or vita (not to exceed 3 pages in 12 point font)
- A letter of recommendation from the nominator (not to exceed 3 pages in 12 point font)
- A one-page letter of recommendation from at least two of:
 - a student,
 - a colleague, or
 - a supervisor (not to exceed 1 page in 12 point font)
- A summary of the nominee's most recent student evaluations (one page in 12 point font)

Nominations for the 2009 award will close on June 30, 2009.
